ARRIVAL PROCEDURES

PASSENGERS AND CREW ARRIVALS

IMMIGRATION AND CUSTOMS PROCESS

Upon arrival, an agent will greet passengers and crew as they disembark. Passengers and crew will be escorted to CIQ for processing. All luggage and bags will be transported to the CIQ area.

Inside the Terminal, a staff member will collect everyone's passports and present them to the customs and immigration officers. We will process all luggage through security and customs. After all passengers and crew members clear customs and immigration, a Universal staff member will escort them to meet their ground transport vehicle at the landside entrance of the Terminal.

It can take up to 25-30 minutes to disembark the aircraft, pass through customs, and leave the airport in their ground transport vehicle. We will stay in contact with the driver to ensure passengers have a smooth pick-up.

PASSENGERS WITH DISABILITIES

WHEELCHAIR AVAILABLE

A staff member will assist passengers with disabilities in deplaning the aircraft. Request a wheelchair prior to arrival to avoid any delays.
