## SOME GREAT REASONS TO CHOOSE US:

- After landing, passengers and crew are accompanied by a Universal Aviation bilingual staff member through customs and immigration who will ensure a smooth passage.
- Due to the small airport terminal, passengers and crew are usually in and out of the airport within 60 minutes.
- Operational safety is our top priority. Two dedicated staff members will work simultaneously, so crew and passengers are never left alone.
- We can coordinate all your needs on the ground, including flight planning, catering, helicopter/ yacht transfers, hotel bookings, and ground transportation.
