SOME GREAT REASONS TO CHOOSE US:

- The airport operates 24 hours including CIQ. Our office is located inside the airport area with a full staff.
- More flexible to get slots/parking compared to the other airports in Japan and a quick turn-around is possible.
- You'll have access to a dedicated Business Jet Gate where on average, passengers and crew are in and out of the airport in 20 minutes after landing.
- Our staff is fluent in English, Japanese, Cantonese, Mandarin and Korean.
- We have excellent relationships with local caterers and can provide great recommendations for local cuisine.
